EIGHT-TO-EAT AND SUMMER SUPPER GROUPS
REUNION AND CHRISTMAS CELEBRATION

YOUR PARTICIPATION IS REQUESTED: I have been contacted by Elizabeth Robertson, a CCSU graduate student working with Hartford Seminary on a research project regarding the knowledge and awareness of the Seminary held by local active church members. The purpose of her study is to gain a better understanding of local faith communities' awareness and knowledge of the programs offered by Hartford Seminary in order that the Seminary may serve them better. Churches in the greater Hartford area are being asked to participate by way of a short survey, which will take no longer than five minutes to complete. All responses will be confidential unless otherwise specified. I have contacted Hartford Seminary confirm that this is a legitimate study. I have placed a sign-up sheet in the church office and ask that anyone interested sign up with your name and phone number and I will forward that information to her. ~ Kristine Lewko, Office Manager
